Author's warning:

This is a gruesome chapter. so read at your own discretion.

For those who would rather skip this chapter, you should just know this:

Angel's stomach is hurting because experiments like her need to be injected with "P9" medicine after certain amounts of time. or else she will fester, rot and die. Because she escaped, she doesn't have access to "P9", so her stomach is beginning to rot.

LET ME ENJOY IT...
COME!
GURGH!

?
SILENCE...
SHE FAINTED?

SHE'S AWAKE.
THEN WHY...?

I SEE.
TODAY'S THE DAY THE P9 MEDICINE ANGEL NEEDS RUNS OUT.
SHE DIDN'T RECIEVE AN INJECTION OF P9 AFTER SHE ESCAPED, SO HER BODY'S STARTING TO ROT AWAY.
PLUS, THE SIDE EFFECT OF P9 IS THAT ALL THE PAIN IS CONCENTRATED IN THE STOMACH AREA.
NO WONDER SHE RESISTED THAT HIT JUST NOW.
IF THAT'S THE CASE...

SO YOU WANTED TO LEAVE THAT BADLY?
.....
...UNGH....
IF YOU CAN ENDURE THREE MORE HITS, I'LL RELEASE YOU
